Profile Summary

Motivated and self-taught Junior Developer with 3 years of hands-on practical experience in full-stack and cloud development. Passionate about building efficient, user-friendly applications using modern web and cloud technologies. Seeking an entry-level or internship opportunity to apply and grow technical skills while contributing to impactful projects.

Technical Skills

Languages & Frameworks: JavaScript, Python, Java, TypeScript, C#, C++, HTML, CSS
Web Development: React.js, TailwindCSS, Bootstrap, Node.js, Express.js, Spring Boot
Databases: MySQL, PostgreSQL, SQL
Cloud & DevOps: AWS (S3, EC2, Lambda, DynamoDB)
Tools & Platforms: VS Code, Git, GitHub, Microsoft Excel, PowerPoint

Education

BSc in Construction Studies (Current) – University of Cape Town

Projects & Experience

With 3 years of practical experience, I have developed and managed several personal and self-taught projects:

- Built responsive websites using React.js, TailwindCSS, and Bootstrap.
- Created RESTful APIs using Node.js and Express.js connected to MySQL and PostgreSQL databases.
- Developed cloud-based solutions with AWS (S3, EC2, Lambda, DynamoDB).
- Automated workflows and data scripts using Python.
- Used Git and GitHub for version control and collaboration.

Strengths

- 3 years of practical experience in software and web development
- Strong problem-solving mindset
- Fast learner and adaptable
- Good communication and teamwork skills
- Passionate about innovation, technology, and cloud computing

Cover Letter

Dear Hiring Manager,

I am writing to express my interest in an entry-level or internship position within your company. As a self-taught Junior Developer with 3 years of hands-on practice, I have developed a strong foundation in software, web, and cloud development, with experience in JavaScript, Python, React.js, Node.js, Spring Boot, and AWS (S3, EC2, Lambda, DynamoDB).

I have built multiple projects that demonstrate my understanding of both frontend and backend development, as well as cloud integration. I am eager to apply my technical skills, problem-solving abilities, and enthusiasm for learning in a professional environment.

Thank you for considering my application. I am available at +27 79 633 8442 / +27 76 195 9053 or via email at kgodisomatsepe474@gmail.com.

Kind regards,

Kgodiso Matsepe
